Parish Council News

DRAFT Minutes of the meeting of Great Milton Parish Council (GMPC) held at the Pavilion on Monday 17th March 2025, at 7.30pm

Present: Stephen Harrod (Chair), Bill Fox (Vice Chair), Councillors David Harms (DH), Sarah MacMahon (SM) and Andrew Noble (AN)

In attendance: Jacqueline Wren (Clerk), Georgina Heritage (District Councillor), Andrew Waterman (AW) and Andrew Busby (AB) (South and Vale DCs) and a member of the public.

188/24 Apologies for Absence: Councillor M Horsley

189/24 Variation of order of business: None

190/24 Declarations of members' interests: None

191/24 Haseley Trading Estate

Andrew Waterman (Project Manager) and Andrew Busby (Corporate Landlord) from South Oxfordshire and Vale of the White Horse District Councils gave information about the Council's plans for the site.

The site (known locally as Countax or Ariens) was purchased jointly by SODC with Vale of the White Horse DC in Summer 2024. The property includes the woodland adjacent to the A329 through which there is a public footpath.

- There are a number of dead trees which need to be removed for safety, this work will take place before any further development.
- The Councils plan to invest in the site and retain the largest building (most recently built) and demolish the other dilapidated buildings.
- Planning permission will be sought to develop the site as a vehicle depot for electric fleet, to include parking and charging for waste collection and road maintenance vehicles.

The Chair noted that Le Manoir will be moving their main entrance and asked about the implications for traffic flow and safety.

AW noted that employee numbers on site will be similar to Ariens (approx. 180 people) 6am-5pm operation in general. Traffic modelling will be conducted to assess the network and junction capacity and consider the impact of any development on traffic flow and safety.

The Chair asked whether a roundabout would be possible to combine Manoir entrance and Rectory Rd junction and asked the Council representatives if they would propose this idea at their forthcoming meetings. AW noted that the woodland is protected which would affect any expansion of the junction but agreed to raise this option.

It was noted that the current site is monitored from a security point of view but the DCs would be grateful for any information from local residents if there is concern.

AW also noted that the social value of any future development of the site will be considered and initiatives like refuse crews litter-picking in the local area are likely.

There will be a Public Engagement Event held on Monday 28th April at Little Milton Village Hall 3-7pm with a team of consultants present (transport, noise etc.). DH to attend.

It was agreed that the Council will publish information on the meeting in the April Bulletin and GH noted she will also include in her monthly report.

192/24 Reports

South Oxfordshire District Council

A report was received from the District Councillor. See Attachment 1.

Oxfordshire County Council

A report was received from the County Councillor. See Attachment 2.

193/24 Litter

DH thanked GH for her responsiveness in coordinating the recent village litterpick on 8th March. All agreed litter is a clear problem across the parish and county.

GH noted similar problems in Lewknor where there is a particular burden of hazardous waste and crews have agreed to check and clear regularly. A similar arrangement could potentially be agreed in Great Milton. She will discuss with Biffa and SODC waste team. It was noted that fly-tipping on The Forties is a particular problem and GH suggested that it may be possible to install cameras.

GH agreed to arrange a meeting with the waste team and liaise with DH.

It was agreed that Sworford Lane, The Forties and Thame Road are the worst areas.

194/24 Correspondence and Public Discussion

The list of correspondence was reviewed and consultation deadlines noted.

195/24 Minutes of the previous meeting

The minutes of the meeting of the 17th February 2025 were approved and signed.

196/24 Actions from the previous meeting:

The action list from the February Meeting was reviewed.

197/24 Training:

The Clerk noted that two training courses have been booked, and she will let the Council know when there is further training which would be helpful.

198/24 Planning Applications:

The Council discussed the following applications;

P25/S0336/HH and P25/S0337/LB

Tanners Cottage Lower End Great Milton OX44 7NF

Single storey glazed extension to side/rear. Infill existing covered bay to rear

- SM reported that she has spoken with the property's immediate neighbours, and following a meeting with the applicants, there are no concerns. The Council resolved to submit their response that there are no concerns regarding this application.

P25/SO543/A

Brimpton Grange Access to Hotel From A40 Milton Common OX9 2JW

B The February bank reconciliation, statement of accounts and bank statements were approved and signed.

The Council resolved not to pre-authorise monthly payments unless this should cause a cashflow problem to suppliers.

The Clerk noted that Unity have requested a call from an authorised person to process the mandate change form which was submitted. The Vice Chair agreed to resolve this.

200/24 Security in the village:

The Neighbourhood Watch Coordinator was not in attendance.

201/24 Items for next agenda or information only

- An insurance pre-renewal questionnaire has been received from the Council's insurers. The current policy is due to renew on 1st June. It was agreed that Insurance should be added to next month's agenda to review the level of cover needed and obtain comparative quotes.
- Following the Tree Survey last year there are works that are due to be completed on 24th March. The Vice Chair has reviewed the survey report and the Council agreed to proceed with the works at a cost of £1220.
- The Council discussed the recent news that the Village Shop and Post Office is to close. It was noted that there are potential options which may make it viable to keep a shop in the village but none are possible without the support of local residents. It was agreed that a Public Meeting will be held on Monday 31st March at 7pm in the Pavilion to discuss the future of a Village Shop.

The meeting closed at 20.35

The next meeting of Great Milton Parish Council will be held on Monday 14th April starting at 7.30pm in The Pavilion.

Agenda items for the April meeting are due to the Clerk by Wednesday, 2nd April 2025

The Rector's Pint

Probably my favourite character of all those involved in the story of Jesus' resurrection from the dead is Thomas. We don't hear of him until the Sunday following Easter, but he has a vital role to play.

I'm so glad that Thomas is included in the story, even though he has been given the negative label 'Doubting Thomas'. According to John's Gospel, where we read his story, he was not with the disciples when Jesus appeared to them following the Resurrection. When Thomas heard the story, he was naturally incredulous, and famously said, "unless I see the mark of the nails in his hands, and put my finger in the mark of the nails and my hand in his side, I will not believe". John records that Thomas got his chance a week later, when Jesus came once again and stood among his disciples. This time Thomas was there as well. Jesus said, "Peace be with you", and then, turning to Thomas, he said, "Put your finger here and see my hands. Reach out your hand and put it in my side. Do not doubt but believe".

Reflecting on this whole story, I would rather have him called 'Questioning Thomas'. He knows that people don't rise from the dead, so why should he believe a report that, at the time, probably looked like group hysteria? But as John records, Thomas does come to believe when he is confronted with a truth so extraordinary that he cannot avoid it. I take to heart that Jesus does not rebuke him, but simply invites him to stop doubting. I also note that it was 'Doubting' Thomas who was the first to proclaim of Jesus, 'My Lord and my God!'

I've been a Christian since I was 20, I am now 65. I had my own journey which led me to look at the evidence, and that resulted in my own profession of faith. Most importantly, I came to believe for myself in the Resurrection of Christ from the dead. I've had many doubts since, mostly to do with the way things are, and making sense of God in a confusing world of change and chance. There is one thing though that I have not been able to get away from, and this is the resurrection of Jesus from the dead. After forty-five years, I still find it so compelling. It's like an anchor to which my own faith is attached, and it has held firm for all these years.

The theologian and bishop, Tom Wright describes the Resurrection of Christ as his 'vindication'. It lies at the heart of faith, and trust, and hope in God. It shows that ultimately, nothing can defeat the love and purposes of God.

'Christ is risen; he is risen indeed. Alleluia'. A Happy Easter to you all.

Simon

All are very welcome!

Great Milton History

We have recently been given these wartime memories by 2 well known members of the Village.

My War stopped on April 28th 1945 when French tanks rolled past my prison of the last 3 years. I was nearly 10 and, with my sister and parents, was taken to Germany in 1942 for the crime of being English. Well, I'm still English – but where are the Nazis? The French had no knowledge of the 600 people living in the biggest building in the village, so drove in with all guns trained on us! Vive La France! Luckily they faced no opposition, so no shots were fired!

September 1st 1939 – I was an evacuee from London and was just 4 years old when we were told to leave. I remember my Mum telling us we were going to live in the country for a while. At that time you hardly ever saw a car, but before the year was out, a car was at our front door to pick us up – my Mum and Dad, 2 brothers and myself.

This was a new adventure for us all. Our destination was Great Milton, to an Aunt Elsie, landlady of the Kings Head Public house. Dad had to return to London. We soon got to know where we could and could not go – we had to keep out of the way, my Mum had her hands full! I started school in the Spring of 1940. We had not been there for many months before we were told we had to move again – our Aunt had to give up the Pub licence, so we moved on – to a cottage in Waterstock, with no running water or electric. It must have been very hard for my Mum.

The Poppy Appeal

The total for the village this year was £556.67.

Thank you to everyone for your support.

Thank you to Liz Alden for helping me with the door to door collection.

It would be so nice if we could get some more help to do the door to door collecting.

Many thanks,

Sue Denham

Apologies for the late appearance of this. The original got eaten by my junk folder. Ed.

Firstly I feel I must correct an error, when writing about the Egrets on the receding floods, I got my beaks mixed up, I thought it was cattle Egrets that had black beaks not the more common Little Egrets, so we have Little ones not the more rear Cattle.

1st of March which is supposed to be the 1st day of metrological spring, I think might be right this year after a long period of dull and dismal weather, the sun shone. I believe I made a similar remark at the beginning of February when there was a turn in the weather, and my comments were the same. Just when we were beginning to think the weather would never cheer up it did, and quite warm, unfortunately not for long. (“spring has sprung, the grass is ris’ I wonder where d’em birdies is, some say d’em birds is on the wing, I thought the wing was on the bird”). By the middle of March, (Blackthorn winter) most crops looked as if they felt like us, a little warmer weather please. Due to the continual cold and dull weather I think extended the time the Snowdrops were in flower, and held the daffodils back as

they were about to flower at the beginning of February, didn't actually start to flower till the end of the month. Whatever the weather the birds visiting our garden have continued with long Tailed Tits becoming a more regular visitor, and the odd Cock Pheasant shouting that he has a lady friend nearby with a potential family.

On the farming front at moment, there is so much for us to take in that it is difficult to see the way forward.

At the NFU annual conference I understand, our great Environment Minister announced issues which he felt illustrated that the government was committed to supporting agriculture, unfortunately, I understand this fell on deaf ears, as all delegates are still extremely concerned about the general attitude this Government has towards our industry. I am sure I am no different to any of my farming colleagues, in thinking just what should we be doing, the messages of change seem to be coming so thick and fast. Since when we have learned that if our land is required for national infrastructure, it will be compulsorily purchased at or below its agricultural value. Then we learn the much heralded support for Agriculture has been halted for any new applicants, meaning anyone who had been encouraged to cancel a current scheme will be left with no payment. On top of all this, a "Land Use Framework" has just been announced, actually this on the face of it could make a lot of sense, as it suggests that land should be used to grow crops best suited to any particular soil type and, with the rationalisation of field boundaries cutting out for conservation odd corners and non-straight field edges.

At last, one MP has suggested we should be concentrating our agricultural policy on producing more food, that food security is more important than ever. He says government should be concentrating research on how to produce more from less, without harming the environment, apparently other countries are ahead of us in this direction. I think all the above facts show just how confusing things are for us, making it difficult to know which way turn.

It looks, thanks to Mr Trump the whole world order will have to change, making our food security even more important. Whatever happens we can be sure that it will mean that our taxes will inevitably have to rise even more. If this is the case should we not rethink the way we levy our taxes by using income tax as a conduit, rather than taxing individual companies and organisations which after all are the ones that actually produce the wealth, rather than making the tax laws even more complicated, just a small amount would cover a great deal of the extra funding that may be needed. Most people could afford this tax rise, it certainly is worth it for our own security, allowances are already in place for those that are not in a position to pay taxes. Also there must be a way to tax the wealthier so as not to encourage them to put their money abroad, and

perhaps support their own country for a change.

I have just completed a litter pick along Windmill Hill between the forties and the bend towards Lt Milton (our road for those not local) having collected between 15 and 20 feed bags, I was planning to move to the forties next, but some kind soul or souls had already done that thanks so much. I cannot understand why we as a nation have to rely on others to clear up items rather than take them home and put them into our waste bins

Finally I just want you all to know that the 1st June this year is the date for our annual sponsored Tractor Run, when we will be fielding 4 tractors again and hope to raise lots of money for the Air Ambulance. Owing to the generosity of readers and our other contacts Tom and I have donated well over £10,000 over the years, please help us continue to support this very worthwhile organisation. I have set up my Just Giving Page again.

The Bull Renovation Works Thank You Letter

Dear Great Miltonites,

The first phase of the improvement work to The Bull are nearly complete. This monumental transformation has been the success of a lot of hard work from many people, and we are incredibly grateful to the incredible local businesses that have helped in this crucial stage.

Richard Gascoyne's stonework has been exemplary, Minoli Tiles' service is second to none and their discount was excellent. Headington bathrooms have provided essential sanitary ware and plumbing while Stoneworld Great Milton have done an excellent job providing flooring. AW Mobbs of Wheatley have been a very helpful source of building materials and Trinder Electrician (Chalgrove) has provided all important electrical work.

The people of Great Milton have been more than generous too. The Elphick family generously gifted building stone, Flora and the team have been cleaning whizzes, and Justin Terry has been an all-round good egg in this early stage.

Also, good eggs are our immediate neighbours for putting up with our noise, dust and parking and all our lovely customers for their patience.

We have, where possible, used local suppliers and we hope if you fancy a pint, a gathering with friends and some excellent pub food, you might shop locally too.

Thanks,

Bob & Simon

Morland House Surgery (MHS)

Evolving Clinical Roles and Embracing Technology

In December 2024, Nollag McGrath, the MHS Practice Manager Partner, made a presentation to the Wheatley Society on some of the changes taking place at the Morland House Surgery. Below is a short summary.

Evolving Clinical Roles

In 2019 the NHS formed Primary Care Networks (PCNs). MHS is now part of the Thame PCN, along with the Rycote Practice and the Chiltern & The Brook Surgeries. The PCN has been expanding the clinical team, bringing new benefits and better care to patients relieving pressure on GPs. MHS now has 2 clinical pharmacists, 1 pharmacy technician, 2 social prescribers, 2 care coordinators and 1 paramedic. The role of each team is as follows:

- Pharmacy Team: medication queries and advice, carry out annual medication reviews, provide medication advice to GPs, carry out mandated audits and quality improvement projects.
- Social Prescribing Team: helps identify practical, social and emotional needs affecting health and wellbeing. Links people to existing community resources, particularly people with one or more long term conditions, those who need support with low level mental health issues, are lonely or isolated and have complex social needs which affect their wellbeing.
- Paramedic sees various conditions and issues e.g. rashes, chest infections, lumps, migraines, general pains, high heart rate and wound issues. Also carries out home visits ahead of GP visit to take vitals and history.

Embracing Technology

MHS has been introducing new technology channels by which patients can contact the surgery: New telephone digital system offering more lines, no engaged tone!!, call queueing, call back service, patient recognition & connection with clinical system and call recording.

eConsult – carry out an online consultation via the internet for free at anytime from anywhere for a health issue. Visit www.morland-house.co.uk, click ‘Contact us online’, complete the questionnaire and submit. Your eConsult will be viewed by a clinician and you will be contacted before the end of the following working day with the next steps.

Contact MHS via NHS App The NHS App is a free, secure tool that allows patients (aged 13+) to access NHS services on their smartphone or tablet. You can book appointments, order repeat prescriptions, choose which pharmacy to collect

from, view your GP patient health record, view messages from MHS, register your organ donation decision, choose how NHS uses your data etc.

Use NHS 111 online to get instant advice or medical help near you.

Other Technology Advancements: text messaging and emails, text invitations to book appointments.

Palliative care bereavement support service

We are looking to recruit volunteers for our bereavement service to provide support to family and friends who have lost someone close to them.

Are you...

- warm, empathic and a good listener?
- able to support other people's expression of grief and distress?

Do you...

- have 16 hours a month to spare?
- have your own transport?
- want to make a difference?

We provide...

- foundation level training (apx. 60 hrs).
- ongoing training, supervision and support.
- travel and phone expenses.
- online mandatory training (apx. 8 hrs).

We do not recommend this work for those who have experienced a significant bereavement in the last two years.

Training will take place from September to December 2025 and it is essential that all training is attended.

**Closing date
for applications:
30 June 2025**

**If you are interested in finding out more
or applying, please contact us on:**

Plans for the Haseley Trading Estate

South Oxfordshire and Vale of White Horse District Councils are the new owners of the Haseley Trading Estate the former Ariens/Contax site.

The councils have purchased the site for operational purposes. As responsible landowners, they are currently carrying out a series of surveys on the site including management of the woodland.

The councils' intention is to be good neighbours, and they are looking forward to engaging with the local community as they develop plans for the site.

There is a drop-in session for anyone wanting to find out more about the site on Monday 28 April 2025 between 3pm and 7.30pm at Little Milton village hall. No need to book – just drop by.

Further information is available at www.southandvale.gov.uk/HaseleyTradingEstate which will be regularly updated with information and an FAQ.

Volunteers Needed to Spread the Joy of Reading in Oxfordshire

Children's literacy charity **Schoolreaders** is looking for more volunteers who can help spread the joy of reading to children in primary schools across Oxfordshire.

Every year, 1 in 4 children leave primary school unable to read to the expected standard.

Schoolreaders recruits volunteers to listen to children read one-to-one in primary schools, focusing on schools where children require the most support. Volunteers are asked to listen to children read once a week in term time and to commit to a minimum of a year.

Please visit the website www.schoolreaders.org to join or call 01234 924111 for further information.

Sat 26th April 2025 – St Katherine's church
Chiselhampton (6.30 for) 7.00 pm start

- Fundraising concert
- £15 (including drink & light refreshments
– cash only please)
- Parking – follow signs on day

"Man Choir offers something substantially different for those who love singing that's harmonic, heartfelt and of real quality. Created from a diverse group of Oxfordshire men in 2013, Man Choir sings a wide range of classic pop, folk and even polyphonic Georgian material unaccompanied but with a vulnerability and openness that shares their enjoyment of singing with the audience.

At its core, Man Choir is a celebration of what ordinary guys in the community can achieve when they do something they love together. The material and the men who sing it will entertain you, make you smile, challenge you musically and move you in surprising ways."

GREAT MILTON NEIGHBOURHOOD WATCH

LION “MESSAGE IN A BOTTLE” SCHEME

These bottles are designed to hold important information about you and your medical needs. In case of an emergency, ambulance crews know where to find your bottle and ensure you get the care you need.

The bottles are free and could save your life

All you need to do is complete the enclosed form, with details of your next of kin and any information about diagnoses, medication, allergies etc. Then pop the bottle in the shelf of your fridge door. You'll also find two green self-adhesive labels in the bottle. Put one on the inside of your front door and the other on the outside of your fridge.

Ambulance crews are trained to look for the green stickers

You can pick up your free bottle from:

Morland House Surgery
Health centres
Pharmacies

Or contact Rod Snowdon (Neighbourhood Watch)
on 07836 728919 or via the Village WhatsApp group.

It would be useful if you could let Rod know if you're using this scheme or if you find anywhere else that distributes the bottles.

Thank you.

St Mary's Church, an intrinsic part of the local community for over 900 years, invites *you* to discover more about its history and its unique features by connecting with the Info-Point inside the building. Anyone with a device containing a modern web browser can use Info-Point's Wi-Fi hotspot to gain free access to the content.

- ❖ Take the 11-point interactive tour around the building.
 - Learn about the unique organ.
 - Listen to the church bells.
 - Discover the mystery of the empty external niches.
 - Find out about the musical instruments which were once displayed (and now illustrated) near the south door.
- ❖ See a bird's-eye video of the historic building.
- ❖ The early 17th Century Dormer Monument, regarded as one of the most important monuments of its period in the county, has just been extensively restored.
 - Find out about the professional conservation work.
 - See photographs of the monument both before and after restoration.
 - Learn about the Dormer Family.

St Mary's Church is open every day with access via the North Door. Purchase a copy of the 'St Mary's and Great Milton' booklet (available in the church) for more comprehensive information about the Church and the Village.

How to connect to the Info-Point is clearly displayed inside the Church.

Library Volunteers Wanted

The Library at Ripon College, Cuddesdon is seeking volunteers to assist with shelving, tidying and general library housekeeping duties. There has been a college in Cuddesdon (a village 6 miles outside Oxford) since 1854, training ministers for ordination in the Church of England. The historical collections require working at height, and there is no lift currently to the first floor library space. A contribution towards travel expenses and free lunches during term time are available to those able to make a regular commitment. Any availability (from 2 hours per week or more) would be very welcome and please contact the Librarian/Archivist, Annabel Haycraft on annabel.haycraft@rcc.ac.uk or phone 01865 877411 if you would like to discuss the possibility further.

Widow Tree

Widow Tree offers online monthly peer support meetings for widows of all ages in Oxfordshire.

The meetings aim to create a welcoming community where hope, connection, and personal growth can flourish.

For more info, see the Widow Tree Facebook page or email contact@widowtree.co.uk

The Three Villages Car Service

The Three Villages Car service exists to help people who are having difficulty in getting to their doctors' appointments.

If you have to get to your GP surgery or Thame Hospital for an appointment and need help getting there, give us a call and we will help if we can.
